Start Your Journey To Achieving Happiness Today This book contains proven steps and strategies for how to determine what will make you happy, as well as how to get past the obstacles that come between you and being happy in various areas of your life. You may be a successful career person already by the time you have started reading this book or you may still be struggling with your job or financial status at this point in time. It doesn't matter what areas in life you have shortcomings in because this book is designed to give you helpful tips and strategies to overcome the possible blockades that prevent you from achieving happiness in the areas in your life where happiness manifests. Each chapter in this book takes you through specific discussions on the subject of happiness. At the end of each chapter there is a question or a new thought for you to consider. This will help you to absorb the information in this book better and will get you started on applying these concepts in your daily life. It should be read from start to finish because each chapter contains ideas and concepts that will prepare you for the next chapter. Although people say that happiness is a choice, there are other factors about your environment that prevent you from making the right decisions that will make you happy. This book will go through those factors to help you to see the path that will lead you straight to your end goal. Here Is A Preview Of What You'll Learn... What Is Happiness? Why Aren't You Happy? Where Have You Gone Wrong? Understand Analysis Paralysis How To Create a Strict Time Frame How To Set Specific Objectives How To Prioritise Your Life (insert bullet point) Much, much more!

Many of our greatest business thought leaders proclaim that the most powerful way to transform a business is to transform its culture. In Shift: Indigenous Principles for Corporate Change, author Glenn Geffcken offers a culturally based process and path to help move companies from stagnation to change, from mediocrity to innovation, and from disconnection to harmony. Geffcken details a set of principles that underlie indigenous societies throughout the world—principles that have kept them in a state of grace and harmony with nature for longer than recorded history can account. Shift draws on the wisdom of indigenous cultures, their teachings, and their implications for significant transformation of core behaviors, beliefs, values, and ethics—which, taken as a whole, represent a paradigm shift of magnitude rarely seen in the business world. Through personal stories and experiences from Glenn Geffcken's twenty-four years in the corporate world, in parallel with an eighteen-year immersion in North American indigenous culture and religion, Shift traces a path of self-discovery and organizational transformation. Geared toward businesspeople and entrepreneurs focused on culture as a force of positive change, it offers a methodology to help you break free and consider a different course.

The must-read summary of Tony Hsieh's book: "Delivering Happiness: A Path to Profits, Passion and Purpose". This complete summary of the ideas from Tony Hsieh's book "Delivering Happiness: A Path to Profits, Passion and Purpose" shows how everyone has the potential to become a successful entrepreneur with dedication and hard work. In his book, Hsieh explains the best practices of his own company, Zappos, and how it is important to create a customer-focused company that also provides a happy working environment for employees. This book is a must-read for any budding entrepreneur who wants to learn from the best in the business and start building their fortune. Added-value of this summary: • Save time • Understand the key concepts • Increase your business knowledge To learn more, read "Delivering Happiness" and find out how you can start focusing on other people's happiness to increase your own.

Pay brand-new employees \$2,000 to quit Make customer service the responsibility of the entire company-not just a department Focus on company culture as the #1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually. After debuting as the highest-ranking newcomer in Fortune magazine's annual "Best Companies to Work For" list in 2009, Zappos was acquired by Amazon in a deal valued at over \$1.2 billion on the day of closing. In DELIVERING HAPPINESS, Zappos CEO Tony Hsieh shares the different lessons he has learned in business and life, from starting a worm farm to running a pizza business, through LinkExchange, Zappos, and more. Fast-paced and down-to-earth, DELIVERING HAPPINESS shows how a very different kind of corporate culture is a powerful model for achieving success-and how by concentrating on the happiness of those around you, you can dramatically increase your own. Achieve unprecedented business value by fostering true employee engagement Many organizations fail to realize and harness the power of their most valuable asset—their employees. Though they can be developed into a true competitive advantage, engagement isn't attainable if the employee isn't invested in the company's overall success. Agile Engagement offers business leaders a concrete strategy for building, maintaining, and utilizing employee engagement to achieve the highest level of business success. The key? Employees must feel like they are a part of their company's culture instead of having it handed down to them. Stories of failed employee engagement initiatives abound, and they all have one thing in common: they begin from the premise of "initiative" rather than "employee." True engagement occurs when an employee's heart and mind are activated in a way that leads to their motivation and commitment to positively impact the company's goals and vision. This book shows you how to create an environment that stresses a culture of unity at all levels by showing you how to: Create a clear, compelling vision and corresponding engagement strategy through the Engagement Canvas Communicate your unique culture strategy throughout all levels of your company Foster grassroots, employee-led engagement initiatives Improve engagement continuously with the Emplify Score tool Agile Engagement provides a deeper look into real engagement, helping you foster a work environment that's rewarded with unsurpassed productivity, innovation, and competitive advantage, as well as employees who feel valued, respected, and heard.

Now in trade paperback, the hip, iconoclastic CEO of Zappos shows how a different kind of corporate culture can make a huge difference in achieving remarkable results -- by actually creating a company culture that values happiness --and then delivers on it. Pay brand-new employees \$2,000 to quit Make customer service the responsibility of the entire company-not just a department Focus on company culture as the #1 priority Apply research from the science of happiness to running a business Help employees grow-both personally and professionally Seek to change the world Oh, and make money too . . . Sound crazy? It's all standard operating procedure at Zappos, the online retailer that's doing over \$1 billion in gross merchandise sales annually.
