The practical toolbox for readers of Million Dollar Consulting This useful guide provides specific checklists, guidelines, templates, and actual examples for every step of the consulting process. It covers marketing, sales, meetings, implementation, follow-up, invoicing, practice management, insurance, equipment, subcontracting, and scores of other elements. Thousands of people have bought Weiss's Million Dollar Consulting and started their own consultancy. Now, this handy resource goes hand-in-hand to provide all the tools new consultants need to enact all the recommendations and ideas in Million Dollar Consulting. Alan Weiss, PhD (East Greenwich, RI), has consulted for hundreds of organizations around the world, including Mercedes-Benz, Hewlett-Packard, Merck, Chase, American Press Institute, and the Times-Mirror Group. He is the author of 12 books, including Getting Started in Consulting (0-471-47969-1) and Organizational Consulting (0-471-26378-8).

Although position power may afford short-term results and compliance, the constant upkeep of such of interactions can be exhausting, not to mention wreak havoc via highly negative impacts on business results in the long-term. Though many books on the market today address leadership techniques, styles and philosophies, none actually help those leaders talk to people via a language and philosophy that works for the long-term. The Influencing Option is rooted firmly in values and behavior-based principles of influencing (as opposed to commanding or ordering) which supports integrity and drives commitment. This influencing model offers multiple options so that those who use it are able to gain behavioral commitment without relying on conflict, heavy-handed authority

or guilt. Instead, specificity and candor are among its most compelling tools. This unique model for leadership communication has proven its ability time and again to develop loyal and lasting followings of participants and practitioners. Libby Wagner runs workshops in companies large and small across the US. Typically, graduates of these courses want to know how they can bring this pragmatic, uplifting model into their current organization. And the time is right for such a book! Harvard Business Review recently focused an issue on "rebuilding trust" by exhorting leaders to step up to such critical business challenges as loss of faith in business leaders and gross violations of ethical business conduct. The cry to "lead with integrity" is growing as business searches for ways its leaders can take the high road in managing as they evolve "commitment cultures" that are at once transparent, participatory and sustainable. Influencing as a leadership/management strategy can fill this need. The Influencing Option shows how to integrate "influencing training skills" steeped in respect, empathy, specificity and genuineness and thus fill a need unmet by current leadership/management books on the market.
