That's why it's important to offer your little one coloring books as soon as he or she can hold a crayon! A good coloring book for toddlers should have thick lines (because tiny details are notoriously hard to color), age-appropriate pictures, and it should be printed on sturdy paper that will withstand an occasional tantrum. Jumbo coloring books are the best coloring books for toddlers because huge images are fascinating and easy to color. This toddler coloring book will teach your little one very important concepts such as numbers, letters, shapes, and colors. Also, let's admit that for a tired parent, coloring is a great alternative to noisier activities. Here's why this toddler coloring book is special: It's GIANT! Each page is 8.5 x 11 inches large so there's a lot of room for fun and creativity It's extra CUTE! The images are sure to fascinate your little one and the thick lines make coloring extra easy It will teach your toddler A LOT! Shapes, colors, numbers, and simple words - this book is especially fun when you're explaining the concepts while your little one is busy coloring! The paper is AWESOME! There's no annoying bleed-through so you little one can grab the fattest markers and color away! Besides, the pages are one-sided so you can easily take a finished masterpiece and add it to the art gallery on the fridge! And much more! This book will boost your toddler's creativity and motor skills - and provide hours upon hours of quiet fun! Scroll up, click on "Buy Now with 1-Click", and Get Your Copy Now! Fun, Color animals, and Learn the Alphabet! My First Giant Coloring Book of Animals is a toddlers coloring book that is designed to introduce children to learning letters. Each letter of the alphabet is represented by an animal that begins with that letter. Children learn best while having fun, therefore My First Giant Coloring Book of Animals is designed for children ages 2-5. Repetition is the key to retention This book combines repetition along with coloring in the alphabet to introduce the children to later writing skills. My First Giant Coloring Book of animals uses the well known Professor Maria Montessori's teaching methods to help children transfer the phonetic sound into a written sound. It is an engaging, and developmentally appropriate book, full of colors and illustrations that will nurture your child's imagination and learning skills. Four pages dedicated

to one letter will give your child the time to absorb not just a new letter, but colors and animals as well. The big and bold pictures are easy to color-in with markers. My First Giant Coloring Book includes: Color the alphabet- Filling in each image helps children practice coloring inside the line and reinforces name of shapes found. One letter and one animal- From A-Z each letter is accompanied by a cute/funny animal Repetition and fun- Repeating a letter paired to an animal reinforces into long term memory the phonetic sound that belongs to each letter and helps transfer that sound into writing. Giant Size- Every page is 8.5x11 in. Fun to color and enjoy. (more then 100 pages of joy) The children's brain develops through repetition, and this allows for them to persevere and concentrate and increase self-confidence. Allow your child to learn the alphabet while having fun!!

The act of coloring can help to improve motor skills in young children and prepare them to school. The actions, motions and precise grip involved in coloring can help in the development of the muscles of the fingers, hands and wrist. Fine motor skill development can help children write more skillfully as well as manipulate small objects. They can then build on these skills to become better typists and more adept in sports and other activities. Coloring can stoke the imagination and inspire kids to brainstorm and learn to think of new ideas on their
