Sometimes no matter how hard you try, the wound just can't heal... There is no more demanding effort than a dog. It killed Bin Laden and saved my life. In May 2011, the SEAL troops successfully sniped Bin Laden in the Operation Poseidon's Spear. The most well-known commando at the time was the army dog Cairo. This is a story about how a military dog was famous in military history, and it is also a story that the dog trainer, Will, remembers with his life. For Will, Cairo is not only a comrade-in-arms who walked through life and death together, but also a lifesaver. This is based on a close relationship based on mutual respect and trust.
