In their first encounter, demigod Percy Jackson and magician Carter Kane had to battle a giant crocodile on Long Island. A month later, Annabeth Chase ran into Carter's sister, Sadie, on the A train to Rockaway, where the pair fought a god named Serapis. Now trouble is brewing again, this time on Governor's Island. An ancient Egyptian magician named Setne has come back from the dead and is experimenting with Egyptian and Greek magic, trying to become a god himself. He's so powerful and tricky that all four—Percy, Annabeth, Carter, and Sadie—have to team up against him. But their usual weapons and spells aren't going to cut it this time. Will the heroes be taken down by a wannabe god who looks like Elvis, or will they rise to the challenge? Told from Percy's point of view, this third demigod-magician crossover story has all of the spunk and action that Rick Riordan fans crave.

From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series Everything in Texas is bigger . . . even murder. Meet Tres Navarre—tequila drinker, Tai Chi master, and unlicensed P.I., with a penchant for Texas-size trouble. Jackson “Tres” Navarre and his enchilada-eating cat, Robert Johnson, pull into San Antonio and find nothing waiting but trouble. Ten years ago Navarre left town and the memory of his father's murder behind him. Now he's back, looking for answers. Yet the more Tres digs, trying to put his suspicions to rest, the fresher the decade-old crime looks: Mafia connections, construction site payoffs, and slick politicians' games all conspire to ruin his homecoming. It's obvious Tres has stirred up a hornet's nest of trouble. He gets attacked, shot at, run over by a big blue Thunderbird—and his old girlfriend, the one he wants back, is missing. Tres has to rescue the woman, nail his father's murderer, and get the hell out of Dodge before mob-style Texas justice catches up to him. If you haven't yet read the Kane Chronicles, Rick Riordan's action-adventure trilogy based on Ancient Egyptian mythology, don't miss this paperback edition with new cover art and a Percy Jackson-Kane Chronicles crossover story, "The Crown of Ptolemy." When young magicians Carter and Sadie Kane learned how to follow the path of the Ancient Egyptian gods, they knew they would have to play an important role in restoring Ma'at--order--to the world. What they didn't know is how chaotic the world would become. The Chaos snake Apophis is loose and threatening to destroy the earth in three days' time. The magicians are divided. The gods are disappearing, and those who remain are weak. Walt, one of Carter and Sadie's most gifted initiates, is doomed and can already feel his life force ebbing. Zia is too busy babysitting the senile sun god, Ra, to be of much help. What are a couple of teenagers and a handful of young trainees to do? There is possibly one way to stop Apophis, but it is so difficult that it might cost Carter and Sadie their lives, if it even works at all. It involves trusting the ghost of a psychopathic magician not to betray them, or worse, kill them. They'd have to be crazy to try it. Well, call them crazy. With hilarious asides, memorable monsters, and an ever-changing crew of friends and foes, the excitement never lets up in *The Serpent's Shadow*, a thoroughly entertaining and satisfying conclusion to the Kane Chronicles.
