The suggestion is here that soul-making is the true vocation of the poet. Poetry is personal speech on universal experience, and in this selection of poems the individual approach to the sacred is emphasized over any adherence to orthodoxy or doctrine. In this anthology, spiritual traditions of East and West are filtered through the personal

vision of sixteen contemporary Canadian poets. These poets are joined together not by faith and similar belief, but in each following their own path to truth. Their poems and stories and editor Sussan McCaslin's insightful introduction illuminated fundamental themes of spiritual life that resonated in each of us.

Grace is more than a colouring book, it also contains short meditations to fuel your quiet time in a creative way. Beautifully presented as a gift book, this makes an ideal present or a wonderful keepsake. Enjoy themes such as grace and happiness as you create a haven in which to contemplate and relax.

Read Crazy Love in Simplified Chinese! Now you can experience Francis Chan's life-changing message in this Simplified Chinese version of Crazy Love. God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss.

Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
